# Certified Carbon Hero

This CO2 compensation certificate guarantees the permanent and irrevocable decommissioning of

---

**530 tonnes**

of CO2 equivalent on behalf of

**Qualitas Energy**

---

Thank you for your contribution to the fight against climate change!

From the public registers of the **VCS and Gold Standard** on the retirement of emission certificates from the following climate portfolio:

**Solar Power for Education and Jobs, Kenya**

**REDD+ Andean Amazon project, Peru**

Qualitas Energy supports these projects in order to make a positive contribution to the environment and compensate its CO2 emissions.

The certification by Planetly guarantees a permanent retirement of the emission reductions from the environmental register of the above mentioned standards.
